

Our approach...

LOCATIONZ™

Our sustainably focussed approach to finding solutions to media production's environmental outputs

- **Materials - verified sustainable, re-usable, recyclable, planet friendly chemicals (toxin free)**
- **Water Stewardship - quality & quantity, planet friendly chemicals (toxin free)**
- **Energy Provision - Grid is 100% Verified Renewable, Generators run on HVO, Battery or Solar**
- **Transport - HVO, bikes, trikes, public transport, EVs**
- **Waste Management - Reusable, upcycled, compostable, recycled - strive for zero to landfill**
